

Name _____ Inst. _____

Cockrill 7th/8th Grade Bands

Materials and Supplies Objective Sheet

1. Case Name Tag

Every instrument needs to have a name tag on the handle with a luggage tag or on the side of the case itself with masking tape.

2. Black Notebook (will be provided with Band Binder Fee)

A 1" hardbound notebook is the best, any bigger and the rings wear out. Even if you have one from last year, after a year of wear and tear it is probably best to go ahead and purchase a fresh, clean binder.

3. Eight Dividers (will be provided with Band Binder Fee)

So much music and information is given to the students that a notebook with eight dividers is the best way to organize it all. Every piece of paper will be filed under a divider. The dividers should be labeled as follows:

1. Information
2. Warm Up/Daily Drill
3. Rhythm
4. Theory
5. Scales/Technique
6. Chamber Music
7. Band Music
8. Lessons

4. Pencil and Pencil Pouch (will be provided with Band Binder Fee)

We will use a pencil everyday your pencil pouch will be the perfect storing area.

5. Instrument Supplies

Please see reverse side for a detailed list.

6. Add the Cockrill Band Calendar to your personal calendar.

8. Metronome and Tuner

The two main ingredients in music is pitch (the notes) and rhythm. Every band uses a metronome in class everyday. It is only fitting that students practice with one at home as well. The easiest way to tell whether a musician sounds good (or bad) is whether they are in tune (or not). Like the metronome, each band uses a tuner every day. It is only fitting that students practice with one at home. The recommended tuner/metronome is the Korg TM-60 (or TM-50) Metro Tuner.

9. Korg CM 300-BK Tuner Clip

Totally isolate your instrument from any other sound in the room permitting confident tuning even in the noisiest environments. This device clips onto the lead pipe, barrel of a flute, or any round tubing on horns with no marring to the instrument.
